

Strategic Subscription Model

Optimized Growth Through Tiered Value Propositions

Tier Strategy Overview

Free (Freemium)

Acquisition engine. Includes ads and essential tools for casual learners.

Silver/Gold

Standard subscription tiers for consistent learners seeking AI and ad-free experience.

Platinum/Lifetime

Power-user access with advanced features and long-term value.

The model evolves from a user-acquisition focus (Free) toward high-ARPU conversion through advanced AI features, personalized feedback, and lifetime licensing options.
